SUBJECT: Karl ANTON *ed*

1. This info was gotten by CAMEL from his friend, Dr. Otakar SLAVIK. Dr. SLAVIK is a Czech officer who lives in Prague. He has shown CAMEL a letter of recommendation signed by Col. KERNING, of the "American Legation in Prague." Dr. SLAVIK has reportedly served as a liaison officer between the Czechs and the American Forces in Czechoslovakia. Dr. SLAVIK stated the following about ANTON, MSC-49, 142: (94-1-1)

2. ANTON was employed by the "2nd Section" of the Czech Ministry of War. His work took him to Germany; there he was to work under the cover of the film industry. He was to try to get permission of the American Occupational Forces to make films in Germany. That permission was never given to him. Failing in his mission, ANTON escaped, in a Czech uniform, to Paris and then to Zurich, Switzerland. Should he ever return to Prague, he will be arrested.

3. COMMENT: It is possible that CAMEL was being used by Dr. SLAVIK to convey this information to the Americans for an unknown reason. It seems quite unlikely that Dr. SLAVIK would be inadvertently spreading information of a secret nature. Prague, Paris, and Bern could make note of ANTON.
